A Child's School or Sports Physical (Item 102): \$30

Your gift will enable a 4-year-old to enroll in a Head Start program or help a child fulfill a dream of playing a sport.

Medical Care for One Person (Item 103): \$60

Give the gift of better health for someone with no medical insurance and no way to pay for health care. Your gift will provide compassionate medical treatment plus necessary prescription medications for one adult.

The Gift of Dental Care

A Child's Dental Appointment (Item 201): \$30

Help keep a child's smile bright by providing a dental exam, x-rays, cleaning, and fluoride treatment.

Emergency Dental Visit (Item 202): \$50

Toothaches are no fun for anyone, but especially not for those who can't afford dental

care. Help someone in pain get the treatment they need for a dental emergency.

Dental Care for One Adult (Item 203): \$60

Help relieve pain, improve oral health, and restore smiles for a low-income person with no dental insurance. Your gift will provide cleaning, x-rays, an examination, and treatment for one adult.

The Gift of Food

Emergency Groceries for Two Families (Item 301): \$20

More and more people in our community have to choose between feeding their families and paying their bills. Your gift, combined with donations of food from local churches and individuals, will supply two families with emergency groceries.

Provide Hot Meals for Three Hungry Families (Item 302): \$25

It's the end of the month, the food stamps are gone, and the cupboard is bare. Your gift will help us provide hot, nourishing meals to three families at our weekend meal program.

Help Where It's Needed Most

Where It's Needed Most (Item 401): \$You Specify

Many individuals and families in this community need assistance, be it treatment for a medical problem, a critical prescription medication, emergency dental care, personal items like diapers or shampoo, or a few bags of groceries. Your gift will be put to use in the area of greatest need.

The Gift of More Hope

Program Expansion (Item 501): \$100

We have never been able to provide care to everyone who needs it. People wait in line for hours to register for dental care, or to be seen during medical walk-in clinics. Our expanded building will increase our capacity, and a gift to program expansion will make hope a reality for many more people.

Stocking Stuffers

Prescription Assistance (Item 601): \$10

Help someone with no medical insurance and no discretionary income fill a prescription for needed medication. Good health for the holidays is a priceless gift!

Basic Household Supplies (Item 602): \$10

Things like toilet paper, soap, and toothpaste aren't covered by Food Stamps, and in today's poor economy the demand on our Care and Share Closet is greater than ever. Your gift will supply a family or an individual with essential basic household supplies.
